Highfield Level 4 Award in HACCP for Management (CODEX Principles) (RQF)

The Highfield Level 4 Award in HACCP for Management (CODEX Principles) (RQF) is aimed at learners who are working at management level within food manufacturing and catering environments, quality assurance staff or members of the HACCP team. This qualification would also be useful for trainers, auditors, enforcers and other food safety professionals.

The objective of the qualification is to provide learners with the knowledge needed to develop, implement and evaluate CODEX-based HACCP food safety procedures.

How long will it take me to achieve this qualification?

The total qualification time (TQT) for this qualification is 40 hours, of which 30 hours are recommended as guided learning hours (GLH).

How is the qualification assessed?

This qualification is assessed by a written examination that must be completed within 2.5 hours. The examination consists of 2 sections. Learners must achieve 60% in each section to be awarded an overall pass.

Marks from both sections of the exam will be added together to determine the learners overall grade. Learners will achieve a merit with a total overall score of 70-79 (70%) and a distinction with a total overall score of 80-100 (80%).

What next?

Individuals achieving this qualification may wish to continue their development by undertaking a food science degree course.

Where can this course be taken?

Through any Highfield approved training centre.
